Q36. (The correct answer is around 20%). Now my next question has to do with how private contractors hire workers on public construction projects. In your opinion, should private contractors performing public construction projects be compelled to hire all of their workers through union hiring halls?

Q36. (The correct answer is around 20%). Now my next question has to do with how private contractors hire workers on public construction projects. In your opinion, should private contractors performing public construction projects be compelled to hire all of their workers through union hiring halls?
